

Bavarian Maifest!

A CELEBRATION FOR ADULTS & CHILDREN

Presented by

The German School of Fremont

Welcome to our Bavarian Maifest !

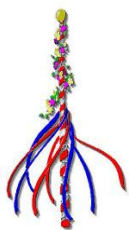

Every year during the month of May many towns in Germany hold a competition to see which town can erect the tallest and most magnificent Maypole. The pole is typically decorated with colorful ribbons, flowers, and adorned with a wreath. An annual May Fest is often held around the Maypole to celebrate the spring season. It is a tradition to perform a ribbon dance around the Maypole, often referred to as the "Maibaum Tanz."
